Sofa and carpet shampooing

We provide professional sofa and carpet shampooing service for residential and commercial cleaning of upholstery, cushions, fabric, leather and suede sofa. Our service helps remove all stains and marks and also improves its durability while restoring the luster of the fabric. With almost no drying time, your sofa or rug will regain its original shape. Meanwhile, hygiene is our top priority.

Jawharat Al-Hadaf offers a professional sofa and carpet cleaning service that will restore the new look and complete the life. Our team is experienced in cleaning sofas and carpets very effectively without suffering any damage

Target Gem provides a clean and healthy environment in your office and home. We offer the highest quality sofa and carpet cleaning and shampooing service. Our wide range of services suits your residential and commercial cleaning needs. Our focus is to provide the best cleaning service in the UAE with our experienced and trained team.

Our Services:

Steam cleaning

Jawharat Al-Hadaf cleaning services provides professional steam cleaning. Our state-of-the-art equipment and trained team use steam cleaning to remove all the dust and grease that builds up. We also use it to clean kitchen units, floors and tiles. Steam cleaning is proven to be more hygienic than using harsh chemical sprays

Steam equipment can remove mold build-up from grout in tiles. However, over time, stucco can wear, crack, and begin to crumble. This can make it difficult to clean grout properly and we do it vigorously

Our steam cleaning equipment leaves no residual marks and is very environmentally friendly. An increasing number of clients in the UAE are enjoying the cleaning benefits of our method of deep cleaning
